Notification of Discharge of Untreated Wastewater

Kings Mountain, NC – On Saturday, March 15, 2025, beginning at 1:30 a.m., approximately 113,122 gallons of untreated wastewater was discharged from SSMH-0581, located near the area of Stoney Point Road and Tiara Drive. This discharge entered Potts Creek, which is part of the Broad River Basin. The spill was contained by 6:00 a.m.

The Division of Water Resources has been notified of the discharge and is currently reviewing the situation. The City of Kings Mountain is committed to addressing this matter and ensuring the protection of public health and the environment. We are currently using bypass pumps and can confirm at this time that there are no health concerns associated with this spill.

For additional information, please contact the City of Kings Mountain at (704) 734-4531.
